

Sparrow Children's Center Facts and Figures

For more than a century, Sparrow has been the leader in caring for children. The first hospital in mid-Michigan to offer a dedicated children's unit, Sparrow is also home to the region's only full-service pediatric emergency department, Neonatal Intensive Care Unit and Pediatric Intensive Care Unit. As the region's Children's Miracle Network Hospital, Sparrow is able to provide the most advanced technology and treatment options in pediatric and neonatal care.

By the numbers:

- » Children's Miracle Network Hospitals raise funds and awareness for 170 children's hospitals, in North America, including Sparrow Children's Center.
- » Each year, more than 54,000 mid-Michigan children visit the Sparrow Children's Center, which provides families with state of the art technology in pediatric and neonatal care.
- » Of this number, more than 14,000 children are treated through our subspecialty clinics each year.
- » Annually 35,000 children visit the Granger Pediatric Emergency Department at Sparrow, mid-Michigan's first and only emergency room designed, equipped and staffed specifically to meet the needs of our young Patients.
- » Approximately 4,300 babies are born at Sparrow every year. 600 babies, our tiniest Patients, receive care in Sparrow's Regional Neonatal Intensive Care Unit each year.
- » 12,000 children visit Sparrow's Pediatric Rehabilitation Unit each year, where our specially trained Caregivers help children with speech, motor skills, and much more.
- » Since 1983, Children's Miracle Network Hospitals have raised \$4.7 billion, most of it a dollar at a time.
- » All Children's Miracle Network Hospitals donations made in the mid-Michigan area stay right here at Sparrow. These gifts are used to help build and strengthen the programs and facilities that give our young Patients the best care possible, right here: where we live, work and play together.

Contributions to the Sparrow Foundation support our mission of improving the health of the people in the communities we serve by providing quality, compassionate care to every Patient, every time.

It is only through the generosity of individuals like you that the Sparrow Children's Center is able to offer groundbreaking technology and exceptional care to the children of our region.

Please help by making a donation today at SparrowFoundation.org/Donate.
